Dear Gold Members,

Southport Yacht Club Board, Management and Sailing Team have some extremely exciting news regarding the upcoming Sydney-Gold Coast Yacht Race. This is the second largest race on the East Coast of Australia and it is looked upon by the competitors as 'one of the best races of the year!' We are very fortunate that we host the finish of this amazing race at Southport Yacht Club.

For the last few years SYC hasn't had any vessel participate in the event and as such the Board would like to assist our sailors to get a yacht back in the race!

An expression of interest from skippers & crew who would be interested in competing in this year's race is the first step. To be eligible to submit an expression of interest your yacht must be Category 2 capable and meets the requirements of the organisers (CYCA) of the race.

Boat/s will then be selected from these submissions and the successful skipper/s will be approached shortly after the close date with more detailed information about the race.

For more information on competing or to submit your Expression of Interest please feel free to contact Brett James in writing by close of business on Friday February 20th 2015 (brett.james@southportyachtclub.com.au)

Kind regards,
