To date for the year of 2016, The Boat Works a Marina, Boatyard and Slipway have successfully hauled out a staggering quantity of #1000 boats from the water for service and maintenance within the yard.

**Tony Longhurst, owner is used to being # 1 with his track record of Bathurst wins, he shares this drive with his team of 17 enthusiastic staff members whom run the operations. 'They have successfully driven this yard to # 1 ranking being Australia's Greatest Boatyard' Says Tony Longhurst**

---

TBW celebrates its 1000th lift this year by way of a \$10,000 cheque handed over to Sailability .

We announce we have successfully hauled out over the last 6 months 1000 Boats.

To mark this incredible milestone the team of 17 staff at TBW would like to extend \$10 per boat lift, bringing the total to \$10,000. They will be donating this money towards the local support group called Sailability.

Based at Hollywell, The principle aim of Sailability Gold Coast is to facilitate sailing and boating activities, in all forms, for people with disabilities.

Sailing is one of the very few sports in which able-bodied sailors and disabled sailors can participate on equal terms. Imagine the thrill of sailing

'Giving Freedom on the water regardless of ability'

The sport of sailing has given added meaning to the words freedom and fun for a person with diminished capabilities be they physical, intellectual or both.

Shane Subichin said: "I'm so proud that we've reached this milestone.

BOATYARD • SLIPWAY • MARINA  
GOLD COAST

It's a real tribute for our team to contribute to the greater Gold Coast community.

The boatyard has undergone a huge overhaul in the past 3 years featuring a 100 tonne capacity lift and refit sheds accommodating up to 15m high vessels.

The business is renowned for its high level of customer service, and boaties whom own runabouts through to luxurious motoryachts agree this is Australia's greatest boatyard.

It's great to see confidence back into the marine industry.

Marketing Manager Charmaine Webb says; 'it's a triumph for the site, our tenants and the team involved and all accomplished over 6 months but the real triumph is today being a team and having this opportunity to extend this gift to those in need.

Getting out on the water can be a liberating experience, I feel so privileged to get involved with Sailability, a whole new life can open up for these children and adults involved.'

Enjoy the freedom

We hope you can join us for the official handover of this 'Freedom' Cheque to Sailability

*Morning tea will be provided thereafter the photos.*
