Live the Cruising Dream!

It's a dream many have but just how do you achieve it?

- Just what's involved? ▪ Do I have the right boat?
- Is this something I can do? ▪ How do I set up my boat?

These are all questions that come up regularly when we're speaking to people about cruising, whether it's extended coastal, power or sail, or offshore cruising they're thinking of. This seminar series is designed to answer those questions and a whole lot more, get you out there, well prepared safely and having fun. With over 30 topics ranging from sails and sail repair to safety gear and how to use it, your electrical system to communications aboard... this weekend seminar covers it all.
