PROGRAM OF EVENTS

Friday, April 29th 15:00

Muster at SYC Dux Facility for Tack Tracker allocation and a complimentary drink with a BBQ during the afternoon.

Competitors having already collected Tack Trackers may skip this muster and proceed to the Qoin Short Course Navigation event on Saturday morning, ensuring that the area 200 meters before the start line is clear at all times, with vessels only entering the area in preparation to start, or if approaching the start line to arrive at the event, in which case care must be taken not to interfere with the start of another vessel.

Saturday, April 30th – Qoin Short Course GPS Event

08:30 - First Boats away returning to SYC Dux via Tippler's Passage for Tack Tracker download and reissue, plus a "wait time" complimentary BBQ.

Saturday Afternoon – Qoin Marathon GPS Event to SYC Main Beach

12:30 - First Boats away from Dux Channel to arrive at SYC Main Beach where berthing will be provided.
