Visiting boats will be launched and retrieved by a mobile boom crane located adjacent to the marina office at the Southport Yacht Club in MAIN BEACH. There is a limited time window for launching via the boom crane. Competitors are asked to have their boat's back stay disconnected, slings and ladders ready prior to presenting to the crane. Standard bow and stern lines must also be attached and ready for use.

Competitors must ensure all lifting slings, chains, lifting gear and shackles are rated for the loads they will carry and are in safe working order. We recommend all gear to be professionally inspected prior to the event.
