- f. When all boats have been called, boats with outstanding position reports will be called again by CR in alphabetical order; boats able to relay positions for other boats should do so at this time.
- g. If at the completion of the sked in accordance with (e) above there is still position reports missing, CR will attempt to contact those vessels on the secondary channel for that sked for a period of 10 minutes.

Should a boat experience HF radio difficulty, every effort shall be made to contact Race Control by Sked phone number (0400 558 917) or another boat on Channel VHF16 to report the boat’s position. 11 Nov	23.30
12 Nov	07:30
	15:30
	23.30

Each successive position report missed	20 minutes added to elapsed time

23.2 If a yacht fails to communicate either directly or indirectly via relay for two consecutive skeds, then:

- a. At the end of the second missed sked all vessels will be asked if they can confirm the position of the vessel.
- b. If no yacht can confirm their position, CR will ask all yachts to stand by whilst they call Race Control.
- c. Race Control may ask CR to contact the yacht closest to that vessel based on tracker position OR if the tracker is not working, the yacht closest to their calculated present position of the vessel who has missed the skeds and ask them to try to contact the vessel on VHF16 and report back within 10 minutes.
- d. If there is no response via VHF16 and the tracker is inoperative, then the vessel will be deemed as being missing. Another competitor may be asked to suspend their race to search for the missing vessel.

23.2 Yachts missing two consecutive skeds may be subject to a Search and Rescue event for which it will be required to pay costs. In this regard, yachts that can hear another competitor attempting unsuccessfully to contact CR are required to relay the Competitor's position to CR.

A cancellation so issued will apply to the boat to which it is directed whether or not the transmission is received and shall have immediate effect.

If the Protest is upheld the yacht may be subject to disqualification from any future SYC event and the incident will be reported to Australian Sailing.

26.2 RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury.
