The series winner is determined by the lowest accumulated IRC points across the four races, with one race drop allowed. The Julian Rocks Yacht Race is the final overnight event of the series, covering approximately 85 nautical miles as the fleet races south to round the iconic Julian Rocks near Cape Byron.

The Julian Rocks Yacht Race is also included in the Queensland Offshore Sailing Championship (QOSC), a five-race offshore series conducted by three Organising Authorities: Southport Yacht Club, Royal Queensland Yacht Squadron and Queensland Cruising Yacht Club. The Championship is open to both Monohulls and Multihulls in accordance with the eligibility requirements of each race's Organising Authority.
