It was Jim Barry's drive and community spirit that helped shape South Australia's Clare Valley as a benchmark producer of world class wine and cemented its place as one of Australia's premier wine regions.

Jim Barry Wines has a strong lineage. Jim himself was the first qualified winemaker in the Clare Valley, graduating with the 17th Degree in Oenology from the famous Roseworthy Agricultural College in 1947. Working for 22 years as winemaker at the Clarevale Co-operative, Jim Barry became a pioneer of Australian table wine.

Today Peter's children Tom, Sam and Olivia work for Jim Barry Wines as winemaker, commercial manager and brand ambassador respectively. Current custodian's, Peter & Sue Barry, are deeply proud that Jim Barry Wines is still family owned, with three generations of Roseworthy graduates.

The Barry family name is synonymous with the Clare wine region and their deep ties to the local community continue to this day.

*The 2023 Assyrtiko is fresh and electric, with dried lemon flesh, lime juice, bay leaf, and fresh pink grapefruit juice aromas. The palate shows powerful fruit weight with generous fruit flavours, and a clean acid line. A very long drive with slight salinity on the finish. This could be the best Assyrtiko we've produced yet.*

Robert Oatley Wines was founded as a family winery in 2006 by the late Robert (Bob) Oatley AO BEM. Today the family business is led by Bob's eldest son Sandy Oatley who, together with his father, brother and sister, planted the first Oatley family vineyards in the late 1960's.

Robert Oatley Wines celebrates the memory of Bob Oatley through a trio of labels: the maritime-influenced Signature Series, the specific vineyard focused Finisterre, and the best of the best barrels under The Pennant. Focussing on wines from Margaret River and McLaren Vale that consistently score over 90 points with the critics and having collected too many medals to detail, a number of the wines have been or are trophy winners but most importantly they've resonated with the wine-loving public around Australia and the world. As Bob Oatley said 'they must be a darned good drink.'

## From the Heart of McLaren Vale

Wirra Wirra is figuratively and literally at the heart of McLaren Vale, one of Australia's most renowned wine regions.

Since 1894 the Wirra Wirra name, meaning among the gum trees in Kurna language, has been synonymous with McLaren Vale and is famous for beautifully crafted, classic wine from the region's heritage varieties of Shiraz, Grenache and Cabernet Sauvignon.

From the sea level vineyards to the west to the elevated plots in the north, winemaker Emma Wood seeks the very best blocks in McLaren Vale to deliver generous, stylish, vibrant and elegant wines that exemplify the best of the region. Wirra Wirra looks to the neighbouring cool climate Adelaide Hills for its range of beautifully aromatic whites of Sauvignon Blanc, Riesling and Chardonnay.

Wirra Wirra recognize the importance of preserving this special part of the world and are committed to sustainable winegrowing practices with certified biodynamic and organic estate vineyards.
