

BMS End of Season Cruise Report 20th – 23rd June 2025

The cruise commenced on Friday 20th June with a lunch at Kokonut Willys restaurant. Some people braved the low tides and anchored at Labrador however most decided to drive to the restaurant. The lunch was attended by 32 people and was enjoyed by all. The favourite meal was the lamb roast with over half the cruisers ordering it.

On Saturday morning most departed Labrador or their home ports on their own timing to Dux anchorage, some came up the previous afternoon and anchored overnight. About half the cruisers met ashore at 11:30am and walked to Tipplers, the rest went by tender from Dux, some anchored at Tipplers for the afternoon. A total of 28 cruisers enjoyed a relaxing lunch between rain showers at Tipplers restaurant.

Later that evening we all met ashore at 16:30 for a BBQ drinks and nibbles. Overall the weather was somewhat kind to us as we had ample time between the showers to get back to the boats later that night. A fun evening was had by all.

On Sunday after a calm night with a few showers we met ashore at 12noon for a BBQ lunch, drinks and nibbles and the BMS sponsored lucky draw as well as the Precision Marine Maintenance wine draw. A fun afternoon was had by all.

The next morning most boats headed off to their home ports.
