

Cruise Report

Maritimo 7 Day Cruise

4th to 10th May 2026

Day 1 – Monday 4th May.

10 boats started the cruise at Dux with a BBQ dinner.

Day 2 – Tuesday 5th May.

The fleet moved up Canaipa passage to RQ Canaipa Point and again held a BBQ dinner ashore.

Day 3 – Wednesday 6th May.

The fleet moved to Karragarra passage and everyone assembled ashore at the Macleay Island Ferry terminal from where the Club Macleay courtesy bus took us through to the Bowls Club for lunch. SYC members were made to feel very welcome by the Club management and staff. After lunch most boats returned to Canaipa Anchorage with a couple of boats heading home due to other commitments.

Day 4 – Thursday 7th May.

Considering the weather forecast and the tides, it was decided to move back down Canaipa Passage to Tiger Mullet for the night; a very cool night with a light westerly wind.

Day 5 – Friday 8th May.

It was a fine morning with the fleet moving back to Dux from where people walked or dinghied to Tipplers for lunch. Some BBQ'd ashore at Dux that evening.

Day 6 – Saturday 9th May.

The final event of the cruise was a BBQ lunch at Dux along with the draw for the lucky prizes courtesy of our sponsors. A couple of boats headed home that afternoon.

Day 7 – Sunday 10th May.

Another fine morning with most boats heading home to celebrate Mother's Day with family and friends.

End of cruise.

Overall, the weather was exceptionally good for this time of year with cool nights and sunny days and rain only on the one night for an hour or so.

Our thanks once again to our sponsors – Maritimo and Precision Maintenance Marine for their continued support of SYC.
