

NOTICE TO COMPETITORS

INSHORE DIVISION 2026/27

Subject: Postponement and Rescheduling of Summer Passage Race 1/7

The Inshore Division Summer Passage Race 1/7, scheduled for Saturday 26 September 2026, is postponed.

Summer Passage Race 1/7 will be re-sailed on Saturday 10 October 2026, together with Summer Passage Race 2/7, which will proceed as originally scheduled.

For racing on Saturday 10 October 2026:

- the Skippers' Briefing will be held at 1200 hrs; and
- the first warning signal will not be made before 1300 hrs.

The race sequence, courses and any further operational arrangements will be advised by the Race Committee at the Skippers' Briefing.

The postponement is due to limited volunteer availability and race management resources while Southport Yacht Club hosts multiple major championship events over the same weekend.

The Schedule of Races and the Saturday briefing and warning-signal provisions in the Inshore Division 2026/27 Sailing Instructions are amended accordingly for these dates. All other Sailing Instructions remain unchanged.
