Race Committee Clarification

Inshore Twilight RTC Race 5, Wednesday 4 November 2026

The Race Committee confirms that the southbound leg in question on Course T3 was laid in the eastern channel south of Crab Island. For that leg, the eastern channel was the intended channel for the purposes of SIs 12.1–12.3 and 21.1.

The Crab Island West Cardinal (Q(9)15s) was not a required mark of the course on that leg. The Sailing Instructions did not require boats to pass west of it on that leg.

This clarification applies to Race 5 and the course as laid on 4 November 2026.
